PROFESSIONAL SUMMARY

Bachelor of Computer Science (Artificial Intelligence) student at Universiti Teknikal Malaysia Melaka (UTeM) with a CGPA of 3.14/4.00. Strong foundation in C++, Python, object-oriented programming, and software development. Passionate about game development, software tools, and problem solving. Experienced in developing full-stack and AI-powered applications through academic projects and eager to contribute to high-quality game development.

INTERNSHIP AVAILABILITY

Duration: 24 Weeks

Official Period: 28 September 2026 - 12 March 2027

Availability: Full-time Industrial Internship

AREAS OF INTEREST

Game Development • C++ Development • Software Engineering • Artificial Intelligence • Problem Solving

EDUCATION

Bachelor of Computer Science (Artificial Intelligence) with Honours

Universiti Teknikal Malaysia Melaka (UTeM)

Start Date: 2023 - Expected Graduation: November 2027

CGPA: 3.14 / 4.00

TECHNICAL PROJECTS

- **AI Based Predictive Maintenance System | Jul 2026**
Python - Scikit learn – HTML - ML models - Plotly
 - Developed an AI system for anomaly detection and machine health monitoring.
- **MindLock Security System | Jan 2026**
Python – HTML – SQL - ML models
 - Built an AI-assisted password management system for improved security.
- **Traffic Carbon Emission Monitoring Dashboard | Jun 2026**
Python - Streamlize – Plotly – Folium – AI - Data Science.
 - Developed a dashboard to monitor traffic congestion and estimate CO₂ emissions.
- **Cinema Booking Ticket System | Dec 2024**
C++ - MySQL
 - Built a cinema booking system with seat reservation and payment features.

TECHNICAL SKILLS

- **Microsoft:** Excel, Word, PowerPoint, Outlook, Edge
- **Programming:** C++, Python, JavaScript, SQL, HTML
- **Artificial Intelligence:** Machine Learning, Data Preprocessing, Anomaly Detection, NLP, Predictive Analytics
- **Software & Database:** React, Node.js, PostgreSQL, Prisma, Git, GitHub, VS Code
- **Robotics:** Robot Operating System (ROS), TurtleBot3

CERTIFICATIONS

- IBM Machine Learning Certificate | **May 2026**
- Oracle Certified Foundations Associate – Database | **Feb 2026**
- Google Data Analytics Professional Certificate | **June 2026**
